

PACK 442 FUNDRAISER INCENTIVES

Let's get the Scouts motivated to sell! Based on total amount sold, Scouts earn an Amazon gift card. At sales events we want Scouts to work together to to be the top team of the day and earn \$5 gift cards for a special treat at Bahama Buck's.

Individual Incentives

Once a Scout meets their sales goal of \$200, they start earning money for an Amazon Gift Card. Rewards start at \$20 and for each additional \$100 in sales they add another \$10 to their gift card value. If coffee is purchased upfront, Scouts will get immediate credit for the sales.

Coffee sold at sales events will also be credited based on the total amount sold by all Scouts during the time slot and then divided by all Scouts present.

Here's an event example:

Team 1 has 3 scouts and sells \$500. Each Scout will earn \$166.67 in sales that will be added to their incentive total.

Amount Sold	Gift Card Total
\$100	\$0
\$200	\$20
\$300	\$30
\$400	\$40
\$500	\$50

Sales Event Incentives

To encourage teamwork Scouts will work together at sales events to sell the most per scout each day. The Scouts in the winning time slot will each earn a \$5 Bahama Buck's gift card as a sweet reward.

Here's an example:

Team 1 has 3 Scouts and sells \$500. Earnings per Scout are \$166.67

Team 2 has 2 Scouts and sells \$400. Earnings per Scout are \$200.00

Team 2 has the highest earnings per Scout that day and will receive the gift cards. In case of a tie, both teams will receive the incentive.

Winning teams will be notified via email and given instructions for picking up their gift cards!
